Homework 2

Using novel2.mov clip, tell a short story precisely 30 seconds long.

Requirements:
- 30 seconds long
- All clips and sequences neatly organized in Browser
- At least two sequences inside a main sequence
- At least three clips in each sequence
- All clips named individually (use sublips (select In and Our pts, opt-U) or convert clips to master clips: drag from timeline to Browser, ctrl-click and choose Make Master clip; rename it and replace the original clip in the timeline with it)
- At least one still image in the timeline
- At least 2 Sequence markers in timeline
- At least 2 Clip markers
- At least one transition
- Timeline set to video strip preview and audio shows sound waves
- Hand in both exported .mov and original
