

**As a group**, please submit a detailed description of who did what during the whole project including who edited which part of the movie. Only one copy/group.

*Please keep this document confidential and send to me via return email to mhannigova@pacific.edu. You will not get your grade back until you complete this.*

**EXAMPLE:**

*A. Student significantly contributed to the research process (gathering information required in the written design brief and sharing it with team,) proposal writing and storyboard development.*

A: *Miss No Name* = 7

**Team Evaluation**

Please evaluate how each of your team members (including yourself) participated in the group project and all its stages. The numerical indicators below speak to the level of participation in each category. List your team member's first/last name along with a number between 4.3 and 0.0. You can use any decimals in between these two numbers.

4.3 = highest level of participation      0 = no participation at all

**In the email:**

Provide your team's movie title:

Your name:

A. Student significantly contributed to pre-production stage including the research process (gathering information required in the written design brief and sharing it with team,) proposal writing and storyboard development.

Student name:

Student name:

Student name:
